

Save Money on **PRESCRIPTION DRUGS**

Prescription drugs can be expensive. Your FEHB health plan helps you pay for them, but you usually still have to pay out-of-pocket each time you visit the pharmacy. This can add up to hundreds or even thousands of dollars each year.

Thousands of Federal employees save on prescriptions with the Federal Flexible Spending Account Program (FSAFEDS). With FSAFEDS, the income you spend on prescriptions and many other health care expenses is **tax-free**. Not paying taxes on the money you spend at the pharmacy, for most employees, **is like getting a 30% discount on prescriptions**.
